## AIR SIDE PRODUCTS

A Johnson Controls Company

### CHILLERS:

- Air Cooled Scroll w/Hydro Package
  - Air Cooled Screw
  - Water Cooled Scroll
  - Water Cooled Screw
- Water Cooled Centrifugal
- Gas & Steam Driven Centrifugal
  - Absorption
- AHU's:
  - Customized Solution AHU's
- FAN COIL UNITS:
  - Horizontal & Vertical
- UNDERFLOOR AIR TERMINALS:
  - Modular Integrated Terminal Units
    - Integrated Controls
- COILS:
  - Water, Refrigerant, Steam
- UNITARY:
  - Packaged Gas/Electric 5-150 TONS-RTU's
    - Condensing Units

Variable Speed AC Motor Drives

Scott Springfield Manufacturing

Custom Air Handling Units

Water Source Heat Pumps, Air to Water, Water to Water

**REZNOR®**

Commercial/Industrial Indirect/Direct Fired - Dx 100% Make-up Air Units, Unit Heaters, Duct Furnaces, Infrared Heating

Commercial Industrial Louvers, Dampers, Access Doors, Fan Coil Units, Duct Heaters and Silencers, Grilles, Registers, Diffusers, VAV boxes

Computer Room Precision Air Conditioning Systems/Industrial Desiccant Dehumidifiers Ultrasonic Humidifiers

Industrial fans, exhausters blowers, mixed flow blowers, ventilation equipment

Commercial; roof centrifugal, sidewall and utility fans, in-line and ceiling fans

Active Chilled Beams, Infusers and Induction System Refurbishment

PERRY FIBERGLASS

FRP Duct work FRP Fans Scrubbers

	<p>Lab &amp; Fume Hood Controls Hospital / Industrial Controls Isolation Room Controls</p>		<p>Laboratory Fume Hood Dilution Systems, Perchloric Acid Systems, FRP fans, Wet Scrubbers</p>
	<p>Kitchen Hoods Water Wash/UV</p>		<p>Duct Silencers and Sound Traps</p>
	<p>Electronic, Gas Fired, and Direct Steam Humidification Short Absorption</p>		<p>Infrared high and low intensity heating systems/True Dual Two-Stage</p>
	<p>Pool / Dehumidifiers</p>		<p>Fabric Duct Air Distribution</p>
	<p>Fans, Exhausters, Blowers and Ventilation Equipment</p>		<p>Filters, Filter Housings/Frames, Hepa Filters Clean Room Ceiling Systems</p>
	<p>Louvers, Fire-Fire/Smoke Dampers, Access Doors, Roof Vents</p>		<p>AMBER BOOTH Vibration Isolation, Seismic Restraint</p>
	<p>Flexible Duct, Sheet Metal Fittings, Access Doors</p>		<p>Kitchen Ventilation and Makeup Air</p>
	<p>Direct-fired commercial/industrial make-up air handling units, Custom units</p>		<p>Boiler Venting Double/Single Wall AL294C, Zero Clearance Grease Duct</p>
	<p>Spiral pipe and fittings</p>		<p>Concealed Cable Damper Operators</p>
	<p>Vehicle Exhaust Systems, Cyclone/Cartridge Dust Collectors, Welding Exhaust</p>		<p>Life Safety Gas Detection Systems, CO, CO2, Refrigerant</p>
	<p>Dust Collection Cyclone, Bag House, Welding Exhaust</p>		<p>Electric heaters, duct heaters</p>
	<p>Energy Recovery Ventilators</p>		<p>Air-to-Air Recovery, Integrated Heat Pump &amp; Refrigeration, Natatorium Dehumidification, Custom Air Handling</p>
	<p>Pre-engineered and custom engineered Desiccant Dehumidification, Heating, Ventilating, Air Conditioning, and related products</p>		<p>Airflow, Space and Building Pressure</p>
	<p>Packaged RTU's 100% Outdoor Air Energy Recovery Integrated Heat Pump</p>
